Prayer for Letting Go of Negative Imaginings

Hello beautiful this is Jennifer Hadley and our prayer for today is for letting go of negative imaginings, yes we don't need to obsessively compulsively imagine the worst anymore. We can let that have it go right here right now yay yay God we placed our hand upon our heart and we are grateful and thankful to claim the right use of our mind we're no longer interested in imagining disasters and disappointments were so grateful and thankful to let go of imagining conversations we do not want to we are grateful to let go of defending ourselves and attacking others everything that is a product of our negative imaginings were allowing it to be released, dissolved, resolved permanently, we are grateful and thankful to let the pass go and to let the grievances the fears the fears worries and resentment of the past dissolve and resolve permanently we're no longer interested in imagining what we don't want and what we don't like and what we can't stand, we are grateful to step into the light of love, remembering our nature is perfect, love. We are grateful to claim a healing at the level of the mind that sits as free from the wrong use of our mind, we're not interested in nightmares of the past and dreams of the past we're interested in being here now where the love is and we know that the love is here and now so we're Pray to surrender attachments to reliving the past in any way shape or form so grateful to set ourselves free and take everyone with us because we're one with them we allow this healing to fully be made manifest and so it is amen. Amen. Amen. Yes, giving up the wrong use of our mind thank you for praying with me and being my prayer partner today I feel so grateful
