Prayer for Letting Love Lead

Hello beautiful this is Jennifer Hadley and our prayer for today is for letting love lead we're letting love lead us through our day through our life through our relationships through our finances through our physical, healing, our emotional healing and transformation our rising up in deliberation through all of it were allowing spirit were letting spirit lead us so we place our hand upon our heart. We take a breath, love and gratitude, love and gratitude love lifts us high. We're grateful we're thankful to open ourselves to the unlimited unprecedented flow of love in our heart in our mind in our conversations in our life experience, we are grateful and thankful to let love lead us in everything letting love lead as in our decisions in our choices in our activities in the food that we eat the exercise we do the conversations that we have the emails and text messages that we sent. We're letting love lead and guide the way so we are the voice for love in our own life experience and that is a wonderful thing, we are grateful to be that countenance of love the face of love in our life in our relationships in our workplace in our family and friendship so grateful that wherever we go to the store the gym to any place that we ever go to the dentist no matter where we go we're letting love lead we're letting ourselves be the face of love the voice of love the activity of love, and we share the benefits with everyone everywhere because we are eternally one with them in gratitude we allow to fold with ease and with grace we let it be and so it most definitely is amen man, thank you so much for praying with me.
