Prayer for Releasing the Root Causes of Fear

Hello beautiful this is Jennifer Hadley and our prayer for today is for releasing the root causes a fear we are not interested in being afraid anymore so we place our hand upon our heart and we are grateful thankful for the power of love within us. We are grateful and thankful that it's not natural for us to be worried and afraid, anxious and fearful, we are grateful and thankful to open our hearts to the wisdom of God's infinite love flowing in our mind, recognizing that when we are afraid we are not in our right mind, and so we are releasing the root causes of fear we're allowing ourselves to be lifted and shifted out of stealing in the root causes of fear and repeating the fear experiences over and over and over again, we're releasing that pattern. We simply don't need to keep reexperiencing the fear so we're healing it at the root cause were allowing it to be healed at the root cause we are willing to experience a profound and lasting healing of the root causes of fear so that fears simply dissolves forever. We are grateful that it's actually possible for us to live a life without fear and that is the life that we are choosing grateful to relinquish whatever thoughts and beliefs are the root causes of the fear that we've been experiencing we're releasing them to the healing action of the Holy Spirit spirit cannot fail and so we are grateful to be fully committed and to allow the healing to take place we share the benefits of our healing with everyone everywhere because we are forever one with them we allow it to fully be made manifest. We allow the healing to truly take place we let it be and so it is amen amen. Oh man, yes thank you for being my prayer partner today. Thank you. Thank you for being my prayer partner, all right what is
