Prayer for Rising in God Consciousness

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for rising in God consciousness. That's what we're about.

So we're grateful, and we are thankful to place our hand upon our heart, grateful and thankful to rise up in God consciousness, to rise up above the battlefield, to live in the light, and to step out of the darkness and the shadows and bring it all to the light.

We are the light.

We are grateful to remember the truth of our being is that we are light.

We are grateful to make an offering of any dark thoughts, any dark ideas or beliefs that we've been holding onto and manifesting, demonstrating, believing in, sharing—anything like that.

We're forgiving ourselves. We're moving out of judgment.

We are grateful to accept the truth of our being is that we are light.

So we're rising in God consciousness. We're rising in the light. We're rising in Christ consciousness, and we're accepting the simple fact that we are the power of God. That is the truth of our being.

So we're remembering the truth of our being, and we are grateful to allow ourselves to truly enjoy our life, rising in God consciousness, recognizing our brothers and sisters, our neighbors and friends and relations are all part of our life in God.

We are sharing this one life in God, and we are grateful to open our mind to a clear access to wisdom, to joy, to freedom, and so much more.

We are sharing the benefits of our willingness and our healing, our expansion, our rising in God consciousness, with everyone, everywhere, because we are forever one with them.

We are grateful to allow it to unfold with ease and with grace.

We let it be, and so it is.

Amen. Amen. Amen.

Yes! Ha ha ha ha ha ha ha!

Thank you for praying with me today. Thank you for being my prayer partner. I appreciate you.

So grateful for our prayers.

Yes.

All right, what is going on?

This Saturday, forgiveness workshop. Monday, Finding Freedom from Fear Boot Camp starts, and it is a powerful healing program. So much clarity comes from it. That's the whole purpose, and with the clarity, the fear dissolves.

It's so good.
