Prayer for True Fulfillment

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for true fulfillment, a deep heart fulfillment, soul fulfillment.

So let's take that beautiful breath of gratitude and place our hand upon our heart.

We are wholeheartedly anchoring into our loving purpose, our loving heart. No matter what's going on in our life, no matter what's going on in the world, we are grateful, and it is our nature to be loving.

So, love and gratitude, love and gratitude lifts us high.

We are grateful for our purpose to be truly helpful. We are here only to be truly helpful, and we don't have to worry or wonder about what to say or what to do, because the One who sent us will direct us, does direct us, and we are available. We're listening. We're feeling the guidance. We're opening our mind to be led and guided to how we can best be truly helpful.

And what is so, so wonderful is that when we're being truly helpful, we're happiest. We really are.

So we are grateful and thankful to choose happiness, to choose helpfulness and happiness, and to know that they are aligned.

So grateful to give up any idea of withholding or deciding if people deserve our love and support.

We are grateful to be led and guided by Spirit to being truly helpful all of our days, all of our activities, all of our relationships, in our thoughts, as well as our words and actions.

So grateful and thankful for a purpose that is deeply fulfilling.

So grateful to choose a life that is deeply fulfilling.

So grateful to share our gifts and talents in ways that are deeply fulfilling.

So, so grateful.

We share the benefits with everyone, everywhere, because we are forever one with them.

In gratitude, we let it be, and so it is.

Amen. Amen. Amen.

What a heart opener. So grateful for prayer. Very, very grateful.

Okey-dokey. Thank you for being my prayer partner today. I sure am grateful for that.

And what is going on? What's coming up?

This week, eight classes, *Living A Course in Miracles*. We're releasing the worry and we're resting in trust, yes, when it comes to all areas of our life.

Come to these eight free classes. Please join. Yes, live. It's always great when we can be together live.

And those, the deep-dive workshop for September, is actually moved to the first Saturday in October.

And those are the things that are coming up.

So these are the wonderful things that are coming up, and I'm so happy to share them with you.

I love them more, and I love you.

Have an amazing, beautiful, powerful, healing, uplifting, inspiring day of true fulfillment.
