Prayer for Valuing the Truth

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for valuing the truth.

Yes, we're taking the truth into our heart, into our mind, and we're recognizing how valuable it is.

So we place our hand upon our heart, and we give thanks. We are grateful to open ourselves to an infinite experience of God's love through valuing the truth.

Valuing the truth brings us back into the clarity of our original instructions.

We are grateful that the truth brings us to that place of wisdom and clarity.

The awakening is happening because we are valuing the truth more than our stories, our opinions, our perspective, our point of view.

We are grateful to open ourselves to the truth in all areas of our life because we know, we really do know, that it sets us free.

We are grateful to give up any limited ideas we have about ourselves and about life, and instead, we're anchoring into the truth, into clarity.

We are grateful and thankful to give up anything that clouds the truth in our mind, anything that vanquishes the truth in our heart. We are grateful to give it up. We're not interested in that anymore.

We're truly interested in remembering and knowing the truth and applying the truth to all areas of our life.

So we're surrendering the stories, surrendering all the opinions, all the judgments, and we are grateful to stand for truth and value truth today.

We are grateful to share the benefits of our valuing the truth with everyone, everywhere, because we are eternally one with them.

So grateful to allow it to unfold with ease and with grace.

We let it be, and so it is.

Amen. Amen. Amen.

Oh, yes. Absolutely. Yes.

Thank you for being my prayer partner today, and thank you for praying with me.
