Prayer for Waking Up to Love

Hello beautiful, this is Jennifer Hadley and our prayer for today is for waking up to love. Gosh - we are waking up to love. Love is our true identity, love is the field in which we leap, in which we quantum leap. We are grateful and we're thankful to recognize that love is what we are. We are choosing love, and we're waking up to love as our true identity.

Oh yes - if you're ready to remember who you really are, this is the prayer for you.

So grateful to place my hand upon my heart today, wholeheartedly in that flow of love - wholeheartedly recognizing that the Higher Holy Spirit Self is absolutely always for us, never against us. And we're choosing a quantum healing, an extraordinary healing. We're willing to have a powerful, transformative healing.

So grateful to come together for this holy purpose. We are willing to teach only love. We are willing to let love be our guide. So grateful to wake up to love, surrendering all the other parts of our consciousness. We are grateful to allow ourselves to wake up and recognize our wholeness, our innocence, our loving nature, our loving activities. We are always in that flow of love.

And we are grateful to share the benefits with everyone everywhere, because we are eternally one with them. So grateful for our healing. Grateful to truly allow all the millions of miracles that have come forward through our programs and every part of this ministry. So we are grateful to know it's all an activity of love.

And we are waking up to love, and we are truly seeing the love, sharing the love, extending the love. It's so good. We share those benefits of being loving with everyone everywhere, because we are forever one with them. We allow it to be, we let it be, and so it is.

Amen. Amen. Amen. Waking up to love - yes, gotta love it. Ha ha ha.

And I love having you as my prayer partner. I love praying with you, so thank you for joining me.

And what's coming up. Today is the last two classes of Living a Course in Miracles - we have a different time today than we've had for the last six classes, so check your email for those details, or the WhatsApp group.

And what else is going on - Saturday is a FREE Forgiveness Workshop, Saturday the 19th.

And then on the 21st is the beginning of my Finding Freedom From Fear spiritual boot camp program. So if fear and worry, if these mental patterns are what's really bothering you, this is what the Finding Freedom From Fear program is all about - and it works. We have lots of wonderful testimonials.
