Prayer for Allowing Intuition In

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for allowing intuition in.

We've got to allow! Yes, we don't have to figure out how, but we do have to allow.

So we place our hand upon our heart, and we are grateful and thankful to open ourselves to the power of love within us, allowing the love to flow in the form of intuition, inspiration, guidance, divine downloads.

We welcome all these aspects of God, infinite love, all these manifestations of pure love and light happening in our very being, in our awareness. Welcome them! We welcome the intuition in whatever way it comes.

We are grateful to allow ourselves to tune in to that Higher Holy Spirit Self and truly follow the guidance that we're being given. We're being led. We're being directed to the highest and best at all times, and we're allowing ourselves to truly recognize it, to truly welcome it.

There is nothing to fear about guidance anymore. We're letting all of that resistance go. There's no hesitation needed anymore.

We're allowing ourselves to be in tune with the infinite, to feel led and guided to the highest and best in all areas of our life.

So we are truly waking up. We're truly allowing. We're truly receptive. So our heart's desire is unfolding and being made manifest with ease and with grace.

We share the benefits with everyone, everywhere, because we are truly one with them forever.

In gratitude, we let it be, and so it is.

Amen. Amen. Amen.

Yes! Oh, yes, yes, yes! Thank you for praying with me today. Thank you for being my prayer partner. We are allowing the intuition in. I love it!

Yes. All right, what is going on? Yes, what's coming up?

My deep dive workshop is on Saturday: *Trusting and Following the Guidance*. That's what it's about.

This is a game changer. It certainly has been for me, a real life changer. When you're able to trust and follow your guidance, everything gets so much easier. The worry falls away, and the peace prevails. So come and join me on Saturday!

And the workshop on Saturday is a bonus. It's a bonus for anyone enrolling in Masterful Living 2027.

I know it's early, but this is when people start making their plans for the new year so that they are locking in, "I have a community to support me in living my heart's desire, in having the healing and the transformation that I desire." And so you can do that too.

And that's one of the reasons why I offer many, many bonuses if you enroll in Masterful Living. And the earlier you enroll, the more bonuses you get. So all the bonuses are live classes with me. Plus, we have some wonderful shifts and changes in Masterful Living for next year, and I'm excited to share them with you.

Yes, my little kitty sat was cuddling with me. He's excited too!

All right. What else is going on? The next forgiveness workshop is November 1st. Masterful Living registration is open. Deep dive workshop: *Trust and Follow Your Intuition*. That's tomorrow, Saturday.

Yes, I love you. Have a powerful day, allowing the guidance to flow.
