Prayer for Being Receptive to Love

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for being receptive to love. Yes, so much love. Everything is love. Love is all. Oh, that's real!

And we are letting go of the blocks to love so that we can be more receptive, more aware, more awake to the love that we are, and the love that everyone is, and the love that is omnipresent, omnipotent, omniactive.

We are grateful and thankful to place our hand upon our heart. We're choosing to focus our attention on love and gratitude. Love and gratitude lifts us high.

So we are opening ourselves at the level of the heart to be more receptive to the flow of love, more receptive to the gifts of love, more receptive to the experience of love, more receptive to love's wisdom and clarity.

So grateful to welcome love into our life like never before. We are allowing ourselves to truly receive the love of God, the love of the universe, the love of our brothers and sisters, our neighbors and friends. Everyone in our life is one with us, and we're allowing the love to flow.

Prayer for Today

with Jennifer Hadley

We're sending out beams of love and light, and we're receiving them, too. We're truly allowing ourselves to expand what love means in our life, what opportunities there are for us to be the perfect givers and receivers of love.

We're anchored in them right now, in this very moment. So we are saying yes to love, and we are grateful and thankful for the entire universe healing with us.

We are choosing love. We are choosing freedom. We are choosing peace.

We share the benefits with everyone, everywhere, because we are forever one with them. We allow it to unfold with ease and with grace. We let it be, and so it is.

Amen. Amen. Amen.

So receptive to the love that we are. Yes!

Thank you for praying with me today. Thank you for being my prayer partner. I'm grateful.

And what's coming up is, Masterful Living registration is open for next year. The sooner you register, the more bonuses that you get, including the deep dive workshop for November and in December and January. If you register now, you get all of those, plus a bunch more things.

And then Sunday, I have a free forgiveness workshop, and this one has a topic. And the topic is "Don't Miss Your Miracles." So if that appeals to you, come join me on Sunday. Don't forget, that's the day we turn the clocks.

So that's all I have for you right now, except I love you and I appreciate you. May you have a truly wondrous and magnificent, blessed day.
