Prayer for Clear Guidance

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for clear guidance.

Yes, and whatever form it comes, we're opening ourselves to inspiration.

We're placing our hand upon our heart, taking that beautiful breath of gratitude, lifting us high.

We're grateful. We're thankful to open ourselves to the clear guidance, the divine direction, insight, and inspiration that we have been looking for, longing for.

We're making ourselves a vibrational match for it right now. We're opening ourselves to listen and hear and know and feel and see more clearly what the guidance is. In whatever form it comes, we welcome it.

We are grateful to allow ourselves to feel truly free and safe to follow the guidance. To allow ourselves to receive and follow is our new way.

We're allowing ourselves to recalibrate to being good receivers and followers of the guidance that we are opening ourselves to.

So grateful to live an inspired life. So grateful to allow ourselves to trust the guidance and to let go of that lack of trust. Let go of the blocks to love that cause us to lack in trust.

Oh, it's a recalibration. Oh, it's a healing. That's what we're calling forth, and we're allowing it to unfold right here, right now.

We truly are sharing the benefits with everyone, everywhere. We're allowing ourselves to receive clear guidance and inspiration, and we are grateful to follow and to simply let it be.

We share the benefits with everyone. We know it's done, and so it is.

Amen. Amen. Amen.

Oh, yes, so good to let ourselves live in guidance, in the divine direction.

I am thankful for you as a prayer partner. I'm thankful I was guided to start recording these prayers. Yes, and sharing them. Yes, 20 years ago. Oh my gosh.

Okay, what's coming up?

Is this Monday, holiday Monday, I am offering a free forgiveness workshop. All the details are at powerofloveministry.net.

And also, Masterful Living registration will be opening soon.

I love you. Have a powerful day receiving clear guidance and following it. Yes.
