

Prayer for Today

with Jennifer Hadley

Prayer for Following Guidance

Hello beautiful, this is Jennifer Hadley and our prayer for today is for following our guidance. Yep - we're working on a theme here. We are grateful that we can follow our guidance, and that we are interested in that right here, right now. We're interested in hearing it, perceiving it, relaxing into it.

Oh yes - if you're ready to be led by love, this is the prayer for you.

So we begin with our hand on our heart, and we take that breath of love and gratitude. It is the loving thing to do, to eliminate worry, doubt, and fear - and so following our guidance is absolutely step one. We are grateful to open our willingness to receive divine guidance and inspiration, and most importantly, to follow it.

We are grateful to let the past be the past. And all the times that we didn't follow our guidance - all is forgiven, all is well. We're setting ourselves free from any sense of guilt or shame about the past and not following our intuition, our inspiration, our guidance.

We are grateful to listen to the still, small voice - or to perceive or feel that still, small voice, in whatever way it's communicating with us. We're allowing ourselves to be lifted and shifted into an inspired life, into a life that is led by love.

We are grateful that we can allow whatever seems to have blocked the flow of guidance in the past to resolve and dissolve permanently, back to the root cause, so we never experience it

again. We are grateful to simply relax into the truth: we are led, we are guided. We are truly open at the top. Our mind is open, our heart is free.

So grateful to share the benefits with everyone everywhere, because we are forever one with them. In gratitude, we allow it to be, and so it is.

Amen. Amen. Amen. Yes, so beautiful.

Thank you, thank you, thank you for hanging out with me, for being my prayer partner today. I appreciate you.

And today - speaking of hanging out - today I'm doing a FREE Forgiveness Workshop, 12 PM Eastern. Come on, invite your friends and loved ones.

And then on Saturday, I'm doing my Deep Dive for October, and the topic is Following Guidance and Intuition. Yes, it is.

And then what else is going on - Masterful Living registration is about to open. I'm very excited for what we're doing next year, and the sooner you register, the more bonuses you get. So that's a cool thing, and I love it.

I love you. Have a truly full day, following guidance.
