Prayer for Following Intuition

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for following intuition.

First, we have an intuition we can follow. We can tune into that intuition. We can discover, learn how to access that intuition and follow it. We're learning to open ourselves to the insights and the clarity, the inspiration that is our heart's desire. That is our own Higher Holy Spirit Self.

We are saying yes to divine ideas, divine downloads, divine wisdom, clarity, creativity, all manner of insight and inspiration flowing in our mind, in our heart, in our life and conversations.

We are grateful to let go of the blocks to inspiration, let go of the blocks to intuition, and open ourselves to be great receivers. Our antennas are up.

We're allowing ourselves to let go of any sense of unworthiness, that we're not worthy of being guided by our own holiness, by that Higher Holy Spirit Self.

We're allowing ourselves to recognize our worthiness of that guidance, that inspiration, and we're following it to bring more love, more peace, more joy into our life and into our relationships, into the healing of our body, into our finances, and every aspect of our life.

We welcome the clarity, the insight, the inspiration, so we are living from a place of higher wisdom.

And we are grateful to share the benefits with everyone, everywhere, because we are forever one with them.

In gratitude, we allow it to unfold. We let it be, and so it is.

Amen. Amen. Amen.

Oh, yeah, it's good! Thank you for praying with me today. Thank you for your willingness. It takes courage sometimes to allow for the guidance to flow.

Yes. Okay, what is going on?

Monday, October 12th, I am doing a free forgiveness workshop. I'm doing one also on Sunday the 18th. The deep dive workshop for October has been moved to Saturday the 24th, and the topic is *Trust and Follow Your Intuition*. Trust and following your intuition. Love this topic, and it's so helpful to us right now.

So there's a lot of stuff going on, so it's good to be able to see through it all and have clarity.

Masterful Living registration for next year will be opening soon, and that *Trust and Follow Your Intuition* deep dive will be a bonus for Masterful Living if you register before the workshop on the 24th. So that's really cool, and more bonuses to come.

I'm very excited. We're gonna be opening registration soon.

Have a beautiful, blessed day, following your intuition.
