

Prayer for Today

Prayer for Following the Still Small Voice

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for following the still small voice, following that voice of our own holiness, allowing it to directly lead us to the very highest and best choices, to more peace, to more love, more joy, more freedom.

We place our hand on our heart, and we are grateful and thankful to rise up. We are grateful and thankful to lift our vibration into that place of the Most High God.

We are grateful to allow ourselves to follow the still small voice, the voice of reason, the voice of wisdom, the voice of clarity, the voice of liberation.

We are grateful that each and every one of us has access to that still small voice within, whether it's a voice or feeling or an image, a picture in our mind. We are interested in following that guidance, that inspiration, that divine direction, being led by Spirit, being led by the voice and the impetus of our own holiness.

Grateful and thankful that our holiness is intact. The connection is intact. The communication is real, and we are grateful and thankful to allow ourselves to recognize it, to follow it, and to implement it.

So, so grateful that that communication from the Higher Holy Spirit Self is within, and it's always there for us. We are willing to allow ourselves to fully receive it and follow it.

Prayer for Today

with Jennifer Hadley

Grateful for this day and this awakening in our awareness. We share the benefits with everyone, everywhere, because we're one with them. So all are lifted, all are shifted.

We let it be, and so it is.

Amen. Amen. Amen.

Yes, it's good. It's so, so good. Ha ha ha ha! Yes.

All right, what is coming up?

We have a free forgiveness workshop on Sunday the 18th, and then we have my deep dive for October, which is *Trust and Follow the Guidance*. That is on the 24th.

And sometime, not too long from now, Masterful Living registration for next year will be opening, and the sooner you register, the more bonuses you get. So I'll be announcing that soon, and I look forward to sharing it with you.

In the meantime, have a beautiful, blessed, holy day, following that divine guide within.
