Prayer for Freeing the Mind From Pain

Hello beautiful this is Jennifer Hadley and our prayer for today is for freeing the mind from pain yes, let us live a pain-free life. Yes, we're done with suffering. We place our and upon our heart and we focus on love and gratitude, love and gratitude we walk in an attitude of gratitude, love in our heart we walk in the love of God as the love of God lifting ourselves up where rising up, we are consciously opening our hearts and minds to all of God's infinite blessings pouring through our life, lighting up our life we're keeping our attention on the good we're keeping our attention on the beautiful. We're keeping our attention on that which is real and true we are grateful and thankful for all parts of our life, lifting us up into an awareness of truth and awareness of our perfection and our holiness, we're not interested in focusing on lack attack, limitation and separation anymore. We are grateful and thankful to choose to focus on what we're grateful for and what love there is in our life expanding the love in our heart and focusing it outward to extend it to our brothers and sisters, we are grateful and thankful to allow ourselves to truly be led and guided by our own holiness to make the loving choices to forgive the past to relinquish the attack thoughts where allowing ourselves to let go of the pain and the causes of pain we're allowing them to dissolve and resolve permanently, we are grateful to set ourselves free. We're freeing our own mind from the pain, the root causes of pain and we share the benefits with everyone everywhere because we're one with them so grateful that we don't have to identify the root causes. We simply are willing to let them be dissolved we give thanks that it

is done and so it is amen amen. A man yes yes thank you for praying with me today. Thank you for being my prayer partner, it's good.
