Prayer for Giving From the Overflow

Hello beautiful this is Jennifer Hadley and our prayer for today is for giving from the overflow not giving to get but giving because we have been given to, and we've been given so much by our creator, we're in the flow of love. We're in the flow of insight and inspiration were in the flow of divine goodness and from that flow, we are giving so grateful that the more we give the more we have to have give all to all so this is our spiritual practice and we are grateful and thankful to see that it works right away we're opening ourselves up to an unprecedented unlimited flow of goodness and unprecedented, unlimited flow of wisdom and clarity and freedom enjoy we're opening ourselves to an unlimited flow of prosperity and abundance. We are grateful to allow ourselves to really receive where focusing on receiving the magnificent the man from heaven, the insights and inspiration that lead us to the highest and best choices. We are grateful to open ourselves to receive love light inspiration, divine downloads were opening ourselves to receive all manner of gifts from all directions because everything that is given to us is given by God, everything comes from the one less everything stays in the one that everything goes to the one lesson and so everything we give we give to God everything we received we received from God and it is a perfect flow. We are truly sharing the benefits of our inspiration of our life of love with everyone everywhere because we are forever one with them we let it be we let it flow and so it is amen amen. Oh man feels so good to give from the overflow we're allowing the overflow in our mind in our heart in our life feels good thank you for being my prayer partner today thank you for praying with me and what's coming up is Sunday free forgiveness workshop 12 PM Eastern and then Saturday the
