Prayer for Holy Relationships

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for holy relationships, holy and healed relationships.

We are willing to have beautiful relationships. We are willing to let the love flow in our hearts and minds.

So we place our hand upon our heart, take that breath of love and gratitude. We rise up, and we rise up above the negativity. We rise up above the cruelty. We rise up above the neglect and the confusion, and we allow ourselves to bask in the love of God, the love of God that has a permanent home in our heart and in our mind.

We open ourselves to the free flow of love, allowing ourselves to truly experience that great freedom, that great magnificent flow of love, washing us clean and clear of the past grievances, grudges, and complaints.

So grateful to allow ourselves to really demonstrate honest compassion, caring for one another, love for one another, wholeness and harmony in our heart and mind, in our conversations and relationships.

We're letting go of lack and limitation in our love life. Our life is a love life, so we're grateful to open ourselves to the insights and the inspiration that further that flow of love.

Prayer for Today

with Jennifer Hadley

We're relinquishing the blocks. We're relinquishing the need to attack and defend. We're recalibrating to the highest vibration, and we are inviting miracles.

We share the benefits of our life of love with everyone, everywhere, because we are forever one with them.

We let it be, and so it is.

Amen.

Oh, man, so good to pray. Good, good, good, good, good to pray.

Thank you for praying with me today and any day, every day. Yes, thanks for being my prayer partner.

Okay, what's going on?

The deep dive workshop is on Saturday, How to Love Freely, and then the next forgiveness workshop is on the Monday holiday, October 12th. It's also known as Indigenous Peoples' Day or Columbus Day.

And Masterful Living registration will open soon, so that's what's coming up for November.

October. Yes, October is here.

I love you. Have a beautiful day, living in that holy relationship.
