Prayer for Investing in Love

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for investing in love.

Yes, love is where it's at. So we're placing our hand on our heart, taking that breath of love and gratitude. We are opening ourselves to invest in love, invest in the truth of our identity. We're investing in all that is holy and all that is good.

We are grateful and thankful to join together and to rise up, lifting our vibration with gratitude, remembering our true identity with love.

We are grateful and thankful to invest in love, in being loving, and in being receptive to other people's expressions of love towards us. We are open and available to the expressions of love that the universe is sending our way.

We're opening ourselves to truly remembering that love is all there is. Love is what we are. Love is what's happening right now. Love is our healer.

So we're investing in our healing. We're investing in our joy, in our awakening.

So grateful to invest in love. Love is always in the flow. Love is always in the now, and we're placing ourselves firmly in the flow, in the now. And we mean right now.

So this now is where the love is flowing in our heart and in our mind, and we're allowing ourselves to be renewed, restored, rejuvenated, fresh through choosing love.

We share the benefits of our investment in love, of our choosing love, with everyone, everywhere, because we are eternally one with them.

We let it be, and so it is.

Amen. Amen. Amen. Indeed. Yes, yes, yes. So very good.

Thank you for being my prayer partner and praying with me. Thank you for investing in love.

Yes. Oh my gosh, right now, does it seem like the world is falling apart? And we're claiming that everything works together for good, and there are no exceptions. And I'm glad that we can join together to remember that. Yes.

And speaking of joining together, tomorrow is my deep dive workshop from September, because I had an out-of-town opportunity, so I rescheduled it to tomorrow, October 3rd, Saturday. And the deep dive topic is How to Love Freely. How to Love Freely. And I am excited for it. Yes, who among us cannot be open to more love in our life? Yes, free-flowing love. So I'm excited for it.

And then what else is going on? Masterful Living registration will soon be opening for 2027. The sooner you register, the more bonuses you get.

And forgiveness workshop, the holiday weekend, Indigenous Peoples' Day, Columbus Day, whatever you want to call it, I will be offering a free forgiveness workshop on that day. It's Monday the 12th.

So I hope to see you sometime soon, and I love you.
