Prayer for Letting Go of Resentments

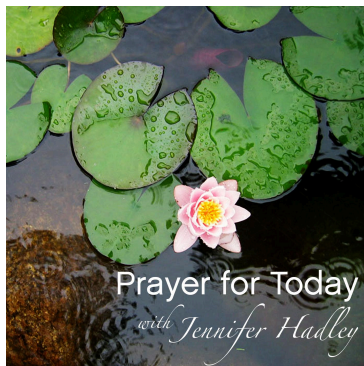

Hello beautiful this is Jennifer Hadley and our prayer for today is for letting go Sent not dragging him around anymore so we place our hand upon our heart and we are grateful and thankful to lay the burden down we are grateful and thankful to relinquish the attachments we've had to holding onto resentment being right about how wrong things were we are grateful that we just don't need to carry those burdens with us one more minute we're letting go of resentment were giving ourselves more peace, more love more joy, more freedom. We're allowing ourselves to truly live in the light rather than carry around a bushel to hide ourselves under and live in the darkness silver segment so grateful that resentments are optional, and we do not have to labor in vain with old resentments anymore, so grateful to allow ourselves to be refreshed renewed, restored by the higher Holy Spirit self, and to step it into the light and truly be turned around we're grateful and thankful that there is nothing about a resentment that we need to hold onto there is no value in it anymore. We're not playing small anymore, we are not living in lack anymore, so we're laying all these burdens down all these resentment especially any resentment that we are harming ourselves with in order to get revenge on someone else oh, so grateful to lay it all down we offer it up. We surrender all the resentment and we call for healing we let our vibration be lifted and shifted. We share the benefits with everyone everywhere because we are forever one with them we allow it to be and so it yes, a man a man, a man yes indeed, it's a blessing to pray with you. Thank you for praying with me today. Thank you for

being willing to turn over those resentments, yes hallelujah hallelujah all right what is coming up is I have a free forgiveness workshop on Sunday, november 1 and the this one has a topic so it's still a forgiveness workshop but we're working on the topic of no longer missing our miracles we're not gonna miss our miracles any more and what else is going on is masterful living registration is open. We have all kinds of bonuses in the sooner you register then you get all the bonuses yes so yeah, bonuses of live classes with me this year and in January and right up until when our classes begin later January, so it's it's an exciting time for us as spiritual students. There's so much opportunity for us to wake up and have healing and then share that healing with others so that's what we're doing i hope to see you soon I love you. Have a perfectly beautiful day without resentment
