## Prayer for Letting Go of Specialness

Hello beautiful this is Jennifer Hadley and our prayer for today is for letting go specialness oh yes, we're letting it go. Do not need the specialness it only brings more suffering, so we're grateful we're thankful to let go of the need to be special to feel special to be seen or perceived as special we are trading that in and we are accepting that we are perfect love already, and we are accepting that we cannot be any more loved by the universe then we already are we cannot be loved by God more than we already are we are grateful to accept the fact that our true identity is magnificent so much better than special so grateful to accept our magnificent sent to share our magnificent where actively aspiring to share our gifts and talents with the world in ways that are profoundly fulfilling for ourselves and for others were giving ourselves a break today and we're giving up the need for specialist and need for any kind recognition, we are grateful and thankful to allow ourselves to flourish. We're allowing our light to Shine and the specialist is not needed. We are grateful to allow ourselves to simply be ourselves were recognizing our brothers and sisters in their magnificent and noticing how others have a light that shines too, so grateful and thankful to give up the specialness and ourselves are truly light up the world with our preciousness. Oh what a great thing we are grateful to give up all the suffering that has been caused by our need for specialist we're giving it and we are sharing the benefits of our healing our transformation with everyone everywhere because we our forever one with them we let it be and so it is a man oh man yes oh my goodness yes thank you for praying with me.
