Prayer for Letting Love Flow

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for letting love flow. We're letting the love really flow fully and completely.

We are grateful to get out of the way of the flow of love in our heart, in our mind, in our life, in our conversations and relationships.

So we place our hand upon our heart, take that breath of love and gratitude, and lift our vibration up with love and gratitude.

So grateful to allow ourselves to truly embrace the love that we are, and we are grateful to be a vibrational match for the flow of love.

Love is lifting us high. Love is healing us now.

We are grateful and thankful to stand in this holy instant and to choose love, to choose to be loving. We are choosing to be receptive to love.

We're letting the love flow in our awareness, and we are consciously extending the love to our brothers and sisters, sharing it with everyone, everywhere, because we are fully one with them.

So grateful to allow ourselves to accept and receive. We're letting the universe shower us with love.

We're letting ourselves recognize all the ways that God is loving us that we have yet to accept, and we're accepting them now.

We're opening ourselves to be in a flow of love that is constant and that is palpable.

So grateful to let the love flow in our conversations, in our activities, in the whole of our world.

Love is flowing. We let love lead us to higher ground, and we allow it to unfold with ease and with grace.

We let it be, and so it is.

Amen. Amen. Amen.

Yes, so, so good. Thank you for praying with me today. Thank you for being my prayer partner. Yes.

Okay, so what's going on?

Just had the deep dive workshop about How to Love Freely, and that was so good. I'd really like to thank you if you showed up and were a part of that. It's beautiful, really beautiful.

And what's coming up is next Monday, not this Monday, the one that is the holiday, October 12th. I'm doing a free forgiveness workshop, so I invite you to join me in that.

I've got some wonderful bonuses coming this year for Masterful Living if you sign up for next year. Registration opens in October, and the sooner you register, the more bonuses you get. And that's a pretty nice thing.

And I've been working on the bonuses, so you're gonna like this, I think.
