Prayer for Letting Love Lead

Hello beautiful this is Jennifer Hadley and our prayer for today is for letting love lead Us love is the voice for God love is the voice for God in us. We are grateful and thankful that we can let that love lead us and guide us. Direct us with clarity that's what we're interested in so we take that breath of love and gratitude on our heart, we are grateful so grateful to rise up above the battlefield. We're not interested in living in a battle anymore we're interested in living the love and seeing the light within each other and letting that light within lead us and guide us that light and that love they are the same yes we are entitled to miracles. We are led by love that is the truth of our being. We're so grateful to give up all the miss direction all the times that we got misdirected and made detours and hid from the truth we're giving all that up, and we are grateful to simply allow ourselves to be led by love we're being retrained, mentally emotionally even physically life of love, a life of patience and kindness and generosity of heart. We are grateful to cult cultivate a great compassionate heart a gentle mind so grateful and thankful that love is our true identity so we're letting the truth lead us the truth of our being and we're rising up we share the benefits with everyone everywhere because we are forever one with them and we allow it to be and so it is a man, a man, a man yes feels like relaxing into letting love lead and I'm so happy to share this prayer with you today my precious prayer partner.
