Prayer for Living Our Purpose

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for living our purpose. Yes, our holy purpose.

So we begin with our hand upon our heart, and we take a breath of love and gratitude. We're rising up above the battlefield, and we are grateful. We are thankful. We are filling our heart, our awareness, our attention with thoughts of love and gratitude, lifting us high.

We are grateful that our purpose is pre-installed. We don't have to make it up. We don't have to find it or even discover it. All we need to do is be willing, and we are so, so willing to live our purpose, to fulfill our purpose, to love and be loved.

We are grateful and thankful that our purpose is a holy purpose. It is pre-installed, and our willingness is the only requirement. So we are grateful to anchor that purpose right here, right now.

The purpose is to be truly helpful, to remember the truth, to hold the truth in our mind as valuable, to surrender attachments to opinions, judgments, complaints, to see with God's vision.

We are grateful to turn our consciousness over to that Higher Holy Spirit Self and align with the divine.

We are grateful to develop the capacity to trust Spirit to lead us to the highest and best.

Whatever our purpose is, we are willing to fulfill it.

So grateful for this willingness right here, right now.

We're sharing the healing benefits of living our purpose with everyone, everywhere, because we are forever one with them.

So grateful to allow it to unfold with ease, with grace, with beauty, with perfection.

We let it be, and so it is.

Amen. Amen. Amen.

Yes, living with purpose. Oh my gosh, it feels so good!

Thank you for praying with me today. Thank you for being my prayer partner. I appreciate you. I do, I do.

And what's coming up? I've got some scheduled changes.

So here are the changes for the October deep dive, which is *Trust and Follow Your Intuition*.

That is moving from Saturday the 17th to Saturday the 24th. Sorry for that, but I need to move it to the 24th. A lot of people can't go on the 17th, so that's why we're doing that.

And then we have a forgiveness workshop that was on the 24th. We're moving it to the 18th. So emails are going out about all these changes, but essentially, we have three workshops in the month of October: two forgiveness workshops, Monday, October 12th, and Sunday, October 18th, and then the deep dive on *Trust and Follow Your Intuition* is on Saturday the 24th.

So that's good stuff that's happening, plus Masterful Living registration will be opening soon, and lots of great things are included in Masterful Living next year.
