Prayer for Opening the Mind

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for opening the mind, opening our mind to receive insight, wisdom, clarity, inspiration, divine downloads, all manner of assistance.

We are grateful to place our hand upon our heart, take that deep breath of love and gratitude, and rise up. We're rising up above the battlefield. We're rising in our vibration. We're rising in our willingness.

Love and gratitude. Love and gratitude.

So grateful for spiritual practices that actually work. We are opening our mind to that higher voice for God. We are opening our mind to clear insight and inspiration. We're opening our mind to the vision of God's infinite love for us.

God's vision for our life is our vision for our life. We are of God, and so there is the vision for our life. We're tuning into it, tapping into it.

So grateful for that. We're opening our mind to relinquish the grudges, the grievances, complaints, the worries, the opinions—all of it. We let it all fall away.

No longer interested in cultivating separation. No longer interested in thinking. No longer interested in feeling lack and limitation. No longer interested in fear, worry, and doubt.

We're opening our mind to the love of God, live-streaming in, through, and around us naturally, gracefully, joyfully. This is how we roll.

We are grateful and thankful to allow this divine guidance to flow into our awareness.

We share the benefits with everyone, everywhere, because we are forever one with them.

We let it be, and so it is.

Amen. Amen. Amen.

Oh, it does feel so good to open the mind to inspiration. Thank you for inspiring me and being my prayer partner. Thank you for praying with me today.

Yes, it's beautiful.

And what is coming up? Is the forgiveness workshop on Monday the 12th. It's a holiday, Indigenous Peoples' Day, formerly known as Columbus Day, and we're doing a free forgiveness workshop. So come along and bring a friend.

In the meantime, I love you. Have an amazing day, a beautiful day, a joyful day, opening your mind to divine guidance.

Love you.
