Prayer for Opening to the Good in Life

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is opening to the good in life, the good in our life. Our lives are filled with good, and we are opening to recognize the good, to accept the good, to allow the good to be, in the flow of the good.

So we place our hand upon our heart. We take that breath of love and gratitude, lift ourselves high above the battlefield. We are grateful and thankful to open and be receptive to the good flowing in our life, in our conversations, in our activities, and our health and wealth.

We are grateful that there is an infinite supply of good available to us, and we are saying yes to being in that flow of good, in the flow of good relationships, in the flow of good creativity, in the flow of good conversations and activity that lights us up.

We are grateful that there is so much possibility of good and that we are willing to accept it.

We're accepting good weather and good opportunities for fun. We are accepting the good and the beauty in the world in so many wonderful ways. We can accept God's infinite goodness live-streaming to us all the time.

We're grateful and thankful to make room for the good in our heart, in our mind, in our life. Very, very grateful to welcome the good.

We are truly sharing the benefits with everyone, everywhere, because we are forever one with them. We allow it to unfold with ease and with grace. We let it be, and so it is.

Oh, man. Amen.

Yes, beautiful. Thank you for praying with me today. Thank you for being my partner in prayer.

And what's coming up is this Sunday at 12 p.m. Eastern. Remember, we changed the clocks on Sunday here in the United States, and I am doing a free forgiveness workshop. And I'm calling this one "Stop Missing Your Miracles," so we're gonna get into it.

It is a full and free forgiveness workshop, so register now so you don't forget about it.

And then what else is going on? Deep dive workshop in November is about when there's a sense that you've lost someone, and I can't think of the exact title right this second, but it's a good one, and that's the deep dive for November.

And, of course, the big news is Masterful Living. Registration is open right now, and the sooner you register, the more bonuses that you get.

And that's it for right now. I love you. Have a powerful healing day, opening to the good in our lives.
