Prayer for Prosperity Consciousness

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for prosperity consciousness.

Yes, we take that breath of love and gratitude. We open our heart. We open our mind to the power of love within us as we place our hand upon our heart, and we are grateful and thankful.

We turn to love and gratitude as our most basic spiritual practice, holding love in our heart, gratitude in our mind, the grateful heart.

So grateful that we are cultivating prosperity consciousness, grateful for all the signs of prosperity in our life, for all the signs of prosperity in our body.

So we are giving thanks for all the ways that prosperity is showing up: in our ability to take a clear breath, to have good digestion, to live in a place that we enjoy and feel safe.

And we are cultivating a prosperity consciousness by giving thanks for all the ways that we can see and feel and know and recognize that we are indeed prosperous.

We're prosperous when our body moves well. We are prosperous when our friends are showing up for us. We are prosperous when we're having a good time.

So we're starting to recognize that prosperity consciousness is a consciousness of having a consciousness that we are blessed and we are a blessing. We're in the flow of blessings. This is our prosperity consciousness.

So we are recognizing all the ways in our life that prosperity is flowing, goodness is flowing. It's manifesting. It's demonstrating in our life, and we are grateful to give up complaining and to let the prosperity flow.

We share the benefits with everyone, everywhere, because we are forever one with them.

In gratitude, we allow it to be, and so it is.

Amen. Amen. Amen.

Yes, it's good. It's good. It's good.

Yes, we are willing to recognize that we cultivate a prosperity consciousness regardless of what's going on in the world. That's right!

Thank you for being my prayer partner today and praying this prayer with me.
