Prayer for Recognizing the Still Small Voice

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for recognizing the still small voice.

Yes, not just recognizing, but also listening.

We place our hand upon our heart because we are wholehearted in our desire to recognize the still small voice, always communicating with us.

We are grateful. We have love in our heart, love in our mind, gratitude in our heart, gratitude in our mind. And so we're rising up in our vibration. We're allowing ourselves to be in that high vibration, a vibrational match for that Higher Holy Spirit Self.

The voice for God is broadcasting all the time, and so we are here for it. We are here for that still small voice, those still small communications, those nudges, those feelings, those insights that come through.

We're recognizing them as clear communications from that Higher Holy Spirit Self. We are grateful to open ourselves to realize this is our true identity, the knower who knows.

We are grateful to let go of any idea that we're unworthy of perceiving the still small voice, in whatever way it chooses to communicate, whatever way we can hear it, whatever way it comes through.

We are recognizing that quality, that vibration of inspiration. So grateful to relax into that clear knowing, that clear listening. We're recognizing the still small voice, and we're giving thanks for it, sharing the benefits of our willingness and our listening with everyone, everywhere, because we are forever one with them.

In gratitude, we allow it to be, and so it is.

Amen. Amen. Amen.

Yes, my goodness! Thank you for being my prayer partner today. Thank you for praying with me. Thank you for being willing.

Oh, my goodness! Okay, Saturday, I am doing my workshop on trusting and following intuition, guidance, inspiration, and that's my deep dive topic for October.

And if you don't know it yet, registration for Masterful Living 2027 is open now, and one of the bonuses is the deep dive for October. And so if you register now for Masterful Living, you'll get it for free.

And, yeah, we've got so many bonuses, and we have a whole new lot of new things happening in Masterful Living this coming year. We're going to have wonderful classes with Alan Cohen, Lisa Natoli, John Mundy, and more. Yes, more!

So there's a ton of bonuses, and the sooner you register, the more bonuses you get.

And the next forgiveness workshop is on November 1st, and this one has a theme. I'm calling it

"Don't Miss Your Miracles." Don't miss out on your miracles!

So registration isn't quite open for that yet, but it will be soon, and that's what's coming up.

I love you. Have an amazing day, really recognizing that still small voice.
