Prayer for Relationships that Nurture and Heal

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for our relationships that nurture and heal. Doesn't that sound yummy?

So we place our hand upon our heart, and we are grateful. We are thankful for the power of love within us, grateful and thankful to open ourselves to infinite wisdom, true intelligence, clarity, beauty, wholeness, the all-good of God.

So grateful and thankful to welcome relationships that nurture and heal us. We are grateful to participate in relationships that are nurturing and healing to us all.

We are grateful to welcome opportunities to be the nurturer, to be the healing presence in somebody else's life. We are interested in being able to give and receive this nurturing, this healing, because love is the healer. Love is the nurturer.

So we are consciously choosing to be compassionate, to have love and understanding for ourselves and for our brothers and sisters.

We are renewing relationships that afford us the opportunity to be nurturing and to be loving and supportive and caring. We are willing to walk in that pathway of real compassion, real care, real support.

We are truly interested in being supportive, feeling supported, feeling nurtured and held and cared for. We are interested in receiving as well as giving, and we are grateful that Spirit gives us the opportunity every day.

We share the benefits with all. We let it be, and so it is.

Amen. Amen. Amen. Amen.

What a beautiful prayer. Thank you for being my beautiful prayer partner today and every day. Appreciate you.

And what's coming up is Monday, on the holiday, I am leading a forgiveness workshop, and yeah, there'll be a couple forgiveness workshops this month. There'll be another deep dive workshop this month. So good things are happening, coming our way.

And also, later this month, Masterful Living registration will open for next year. Lots of bonuses. New things are happening, and I look forward to announcing it before too long.

I love you. Have a day of truly enjoying the nurturing love in your relationships.
