Prayer for Trusting the Call

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for trusting the call.

Trusting the call that's coming from inside our own consciousness, our own mind, our own being. Trusting the call of love, trusting the call of insight and inspiration, trusting the call to extend love.

Yes, so we place our hand upon our heart, and we are grateful to extend love, to be in the flow of love.

We are grateful to trust the call of pure Spirit, pure wisdom, intelligence with us. We're answering that call.

We are trusting the call to extend love and be patient. We are trusting the call to listen, to wait on the Lord, as they say.

We are grateful to trust the call to rise up, to take action, or to step back and wait for more clarity.

We're learning to trust our intuition and to follow that intuition, to recognize that there is within us the knower who knows, and we are profoundly interested in being in that relationship with the knower who knows so that we're always following that guidance from within.

Always grateful to know that our Higher Holy Spirit Self is live-streaming that guidance all of the time. It's not coming from outside of us. It's coming from within, and we are grateful and thankful that we can learn to recognize it, to speak its language, to tune into its vibration, to be on that wavelength.

We're grateful to give up the doubt. We're grateful to give up the hesitation. It's all about being that servant of the light in our own life, in our own experiences.

We are recognizing that when we're in service to the light, all goes well.

We share the benefits with everyone, everywhere, and we let it be, and so it is.

Amen. Amen.

Whoo! Ha ha ha ha! Yes, yes, yes! All goes well. We are following the guidance.

Oh, my goodness, so grateful! Yes, thank you for praying with me today. Thank you for being my prayer partner. We are rising up, and that is a beautiful thing.

All right, so what's going on today is my *Trust and Follow Your Intuition* deep dive workshop. It's my deep dive topic for October. I do one of these every month, and they're a great way for us to deepen our practice, and so you can come and join me today.

And if you have been contemplating joining the—contemplating joining the—ha ha—Masterful Living community for next year, the workshop today is a bonus for anyone joining Masterful Living now.

So we have to join by the time of the workshop to get the bonus, but there's so many more bonuses. So it either calls to you or it doesn't. We're answering the calls, so you'll know if you feel called.

And I love you. Have an amazing day, answering the call.
