Prayer for Choosing to Begin Again

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for choosing to begin again.

Yes, let's go back to the beginning. Let's go back to the original instructions. Let's go back to the default settings.

We place our hand upon our heart, and we take a sweet breath of gratitude. Gratitude lifts us high. We're rising up.

We are grateful and thankful to choose to go back to the beginning, back before we believed we were separate or thought there was anything wrong with us or anyone else.

We're going back to the beginning in our consciousness, and we're choosing love and compassion and kindness and willingness, and so many wonderful things to make our life filled with wonderful opportunities for more peace, more love, and more joy.

We are actively cultivating a consciousness of more peace, more love, more joy, more freedom, more wholeness, and prosperity.

We're opening up the floodgates with our willingness to choose to begin again.

Yes, how wonderful that every day offers us a clear opportunity to choose to begin again. We're so blessed. We can reboot in any moment, and we can reboot every day and allow ourselves to begin again.

So we're choosing that. We're choosing to begin again right here, right now, and to open our hearts to the amazing and beautiful opportunities that are right in front of us.

We are consciously sharing the benefits of our decision to choose again. Yes, we are welcoming the opportunities to choose again. They're right in front of us, and we are saying yes.

We let it be. We share the benefits with everyone, everywhere, because we are one with them. We know it's done, and so it is.

Oh, man. Oh, man. Oh, man. Feels good to do a reset.

Thank you for praying with me today. Praying us into a reset.

Yes, well, it looks like I am postponing the Father, Brother, Son class, and I'm trying to figure that out. I will keep you posted.

This weekend, two forgiveness workshops. Sunday, family-focused forgiveness, and Saturday, a regular forgiveness workshop. And you can bring any issue to any forgiveness workshop. That's up to you, and you're invited to both, and they're both free. Please invite your friends as well.

Masterful Living registration is open, and it's a wonderful opportunity to get more bonuses. The sooner you register, the more bonuses you get, and all the details are at poweroflove ministry.net.

I love you. Have an amazing day truly making the choices to begin again.
