Prayer for Family Forgiveness

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for family forgiveness.

Oh my goodness, yes! We are grateful. We are thankful for the power of love within us, the power of love to heal our mind, the power of love to heal our family and all of our relationships.

Taking this breath of love and gratitude, we place our hand upon our heart, and we are grateful to practice family forgiveness, practice family non-judgment, non-complaining.

We're letting all of the attack thoughts dissolve and resolve permanently back to the root cause from whatever they originally emanated.

We are grateful to call for a healing, a transformation. We are willing to experience profound healing.

We are grateful to allow our complaints and grievances, grudges, the withholding, whatever we regret or resent, we're allowing it to all be brought together in one big energy ball, and we hand it over to that Higher Holy Spirit Self.

And we say, we are done revisiting the past. We are done reviewing our mishaps, mistakes, missteps, whatever we'd like to call them.

We're no longer interested in grieving the past and suffering over the choices we made in the past, the choices that other people made.

We are primarily interested in love, freedom, compassion, joy, harmony, beauty, happiness. This is what we're putting our focus and attention on.

So the healing is happening. Spirit cannot fail, and we're turning it over to Spirit.

So we are grateful to accept, to allow this extraordinary family forgiveness healing.

We share the benefits with all families, and we let it be, and so it is.

Amen. Amen. Amen.

Yes! Oh, that's a healing. Thank you for praying with me today. Thank you for being my prayer partner.

Miracles are unfolding. People are telling me about them every day, and I am very grateful that we are doing this work together.

Yes, and speaking of that, today I have a family forgiveness workshop, and I hope you can join me. It's totally free, and this will be the last one for a little while, taking a break for the holiday, the Thanksgiving holiday, and my birthday, and then back at it in December.

Masterful Living registration is open, so if you're not in Masterful Living, I encourage you to take a look and see what it's all about.

And registration is open. Bonuses are happening every month, and in January we've got three different bonuses. So the sooner you register, the more bonuses you get.
