Prayer for Today
with Jennifer Hadley

Prayer for Giving from the Overflow

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for giving from the overflow. God's infinite giving. This is the overflow in our heart, in our mind. God's infinite giving. This is the overflow that's always available to us, and we're tuning into it, tapping into it right now.

We place our hand upon our heart, take that breath of love and gratitude, and lift ourselves high, remembering that the infinite flow of good that is God's nature is our nature too.

So we're aligning with that, and we're sharing and extending from that overflow of good, to have all, give all to all.

So we are in that place of recognizing we do have the kingdom within us, and so we're extending that kingdom, extending the gifts of God that are continuously flowing to us and through us at all times.

We are grateful for unblocking the flow of love. We are grateful for removing the blocks to love in our heart, in our mind, so that the love can flow: the creativity, the beauty, the wisdom, the clarity, the harmony, all of it flowing in our awareness.

We are so, so grateful that there is so much to share, and the more we share, the more we have. How wonderful!

So grateful for these great laws of life. So grateful that everything is in support of us and nothing is against us.

So grateful to allow ourselves to truly receive and truly share.

In gratitude, we share this healing. We allow this healing, and we let it be, and so it is.

Amen. Amen. Amen.

Beautiful! Yes, more peace, more love, more joy. We're sharing it.

Thank you for sharing with me today and being my prayer partner. Appreciate you.

And what is coming up? There's a bunch of things, so maybe something that will appeal to you.

We have right now Masterful Living registration is open, and the next bonus is my deep dive workshop on Saturday, which is, "What About When Someone You Love Stops Speaking with You?" When someone you love stops speaking with you. How do you handle it? How do you deal with it? How do you heal it? How do you work with it?

It's something I know a lot about, and so we are going to address that on Saturday in the deep dive workshop.

Then on Sunday, there's a free family forgiveness workshop. Yes, another one! And the holidays are coming, and I am in support of our healing. Yes!

And then on the 21st, there's another forgiveness workshop. On the 22nd is the first session of Father, Brother, Son. That's the five-part class for healing the relationships with our fathers, brothers, and sons.

And this is really oriented towards men and the relationships that they have with the men in their family. So, deeply healing work, and I'm so glad to offer this along with my friend and colleague, Jesse. We've been teaching together for a long time, and we always have a good time together.

This will be deeply healing. Father, Brother, Son starts on November 22nd.

So that's what's coming up, and I love you. Have a powerful, beautiful, delicious, delightful day, giving from the overflow.
