Prayer for Healing At All Levels

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for healing at all levels: the level of the mind, the level of the body, the level of our relationships, the level of our conversations, the level of our finances. All levels.

So let's take that breath of gratitude, lift ourselves up with our hand upon our heart. We focus on love and gratitude, gratitude and love. This is our true nature. This is our true identity: perfect love. We are the perfect givers and receivers of love.

We're letting go of the blocks to love, and we're opening ourselves to healing at all levels. Letting go of the blocks to love, let the love flow. The love renews and refreshes us. The love restores and revitalizes us.

We are opening ourselves to all manner of healing at all levels.

We're willing to let go of the habits of the past, the grievances of the past. We're letting go of the mindset of lack and limitation. We're letting go of the very concept that there's not enough. There's more than enough. There is abundance. There is prosperity, and we're opening our mind to it and allowing it to flow.

There is abundant health and wealth, and there is abundant love and freedom waiting for us.

We are in the activity of now. The healing is now. The wholeness is now. This is what we are choosing to energize and invest our attention in.

And we're letting go of the blocks to love, and we're welcoming healing at all levels.

We share the benefits of our healing with everyone, everywhere, because we are forever one with them.

In gratitude, we allow it to unfold with ease, with grace. We let it be, and so it is.

Amen. Amen. Amen.

Yes, that's what we can really appreciate: healing at all levels, especially right now, especially today, Election Day. Let's have a healing that goes all the way around the world.

Oh, my goodness! Thank you for praying with me today. Thank you for being my prayer partner.

And let's see what's coming. Masterful Living registration is open now, and the sooner you register, the more bonuses you get.

Let's see, in November, the bonus that you can get is the deep dive workshop that's on November 14th. And that one is about when someone you love doesn't want to speak to you anymore. How do you deal with it? How do you handle it? How do you heal it in your own mind?

And I have two forgiveness workshops this weekend, Saturday and Sunday. I'm doubling down because it just feels like this is what is most helpful right now, and that's what I'm interested in.

So check out all the details at powerofloveministry.net.

And I love you. Have a powerful day, healing at all levels.
