Prayer for Today
with Jennifer Hadley

Prayer for Healing at the Root

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for healing at the root. Yes, we are choosing to have a healing of whatever the root causes are of our distress or dysfunction, our confusion, whatever it is: family issues, all personal issues, body issues. We're calling for healing at the root.

We have a great willingness to let the past go and set ourselves free.

So we place our hand upon our heart, we take that breath of love and gratitude, and we lift ourselves up high above the battlefield, high above the confusion and the chaos of the world.

We are grateful to allow ourselves to open and receive all manner of support from the visible and the invisible.

We are calling for an epic healing, a healing and transformation in our consciousness that ripples throughout every aspect of our life and being.

We're allowing ourselves to truly rise up in consciousness and let the darkness dissolve and resolve permanently back to the root cause.

We are so, so grateful that we are entitled to miracles, and so we're calling for a miraculous healing of the root causes of pain and suffering in our mind, in our heart, in our life, in our body, our finances, our relationships, our family, our workplace, every part of our life and being. Healing at the root cause.

Prayer for Today

with Jennifer Hadley

So grateful to surrender attachment to anything that could cause our suffering.

We are truly sharing the benefits with everyone, everywhere, because we are forever one with them.

We rejoice to allow ourselves to fully accept and allow this healing.

We let it be, and so it is.

Oh, man. Amen. Amen.

Yes, it is a time of rising up. It is the time of healing at last!

All right, thank you for being my prayer partner. Thank you for joining me today. Thank you for your willingness to heal at the root.

And what is going on? This is a really full time for me. I'm pretty excited about it.

Let's see. This Saturday is my deep dive for November, and this workshop is: What do you do when someone you love won't talk to you anymore? That's what it is: "When Someone You Love Won't Speak to You."

It's intensely painful, and I am so happy to share what I have learned about moving through that with reason, with grace, and quickness. Speed, speed is of the essence! Yes, true healing and transformation.

And then Sunday, this weekend, I'm doing another family forgiveness workshop, which is totally free, of course. All the details are on the poweroffloveministry.net website.

And then the next weekend, starting on the 21st, there's another free forgiveness workshop. But on the 22nd, I'm really excited about this. It's a new class called Father, Brother, Son. Father, Brother, Son. Similar to Mother, Daughter, Sister that I did last year.

This is for the men in our lives, and it's about healing those family wounds between fathers, brothers, and sons. And this is such an important thing at this time of year. We're stirring up old family hurts and disappointments, and so let's heal it at the root, and let's do it together.

And so much healing is possible. So if that appeals to you, I hope I'll see you soon.

I love you. Have a deeply healing day, healing at the root.
