Prayer for Igniting Miracles

Hello, beautiful, this is Jennifer Hadley, and our prayer for today is for igniting miracles. We welcome the miracles; we ignite the miracles. Miracles are us.

Oh yes - if you're ready to live a miraculous life, this is the prayer for you.

So we place our hand upon our heart, and we are grateful and thankful to allow the miracles to come forth in our consciousness, blessing the whole world with our miraculous mind. We are grateful and thankful to recognize that we are entitled to miracles, and that it is natural for us to experience miracles and to inspire miracles.

So we're inspiring miraculous shifts and changes in our consciousness, and in the consciousness of our brothers and sisters. Our life is a miraculous healing. We're opening ourselves to miracles in all ways. Every part of our consciousness is opening to experience a miraculous healing and transformation.

We are grateful that there is no part of our life or our being that is unworthy of miracles. So we're accepting the miracles that are ours to receive. We open our minds to receive them. We are grateful and thankful that it is natural for us to live a miraculous life, to be miraculous, to live in miraculous love and transformation. Love itself is a miracle, and we are miracles. We are miracles of love, and we are grateful to remember that today, and to ignite miracles not only in ourselves, but in everyone everywhere.

We are grateful to be a blessing in this. We are grateful to receive the blessings that are ours to receive. We share the benefits with everyone everywhere, because we are forever one. In gratitude, we let it be, and so it is.

Amen. Amen. Amen. Oh, so good.

Thank you for being my prayer partner today. Thank you for praying with me. Thank you for being an igniter of miracles. Yes.

All right, so what's coming up. Today - here's a miracle - a FREE Family Forgiveness Workshop. It's one of my healing Forgiveness Workshops, and we're going to focus on family. But if you don't want to focus on family, don't focus on family - simply come and focus on forgiveness. The holidays are coming, so I'm stepping up the Forgiveness Workshops.

Particularly next Saturday, this coming Saturday, is my Deep Dive Workshop for the month. Yes - "When Someone You Love Won't Speak to You." What do you do when someone you love won't speak to you? That's what we're going to be doing the workshop on. It's a beautiful topic, and I love to share on it.

And then on Sunday the 15th, a week from today, I'm going to do another Forgiveness Workshop.

Then on Sunday the 22nd, I'm going to do my Father, Brother, Son program with Jesse Brune. Jesse and I love teaching together, and this one is oriented toward men and their relationships with the men in their lives - the fathers, the brothers, the sons. The Mother, Daughter, Sister class was really wonderful, very powerful, and so it feels only right to offer the same kind of

healing program for the men. My co-teacher, Jesse Brune, is a father, a son, and a brother - he has two sons of his own - and so we're going to go really deep into this topic. If you're not a man, maybe you have a man in your life you'd like to share this with. It's unique - I don't know of any A Course in Miracles teacher who's done a program like this - so let's really see what we can do.

And then Masterful Living registration is open right now, and the sooner you register, the more bonuses you get. In fact, the Saturday Deep Dive Workshop is a bonus for anyone who's already registered for Masterful Living 2027.

So many good things happening. I hope to see you soon. I love you. Have a day of fun, igniting miracles.
