Prayer for Igniting Miracles

Hello beautiful, this is Jennifer Hadley and our prayer for today is for igniting miracles. Miracles are natural, and we are entitled to miracles.

So let's ignite them with our powerful prayer.

Oh yes - if you're ready for the miraculous, this is the prayer for you.

We are grateful to place our hand upon our heart, take that breath of love and gratitude, and open ourselves to infinite wisdom, pure intelligence, love and light, dynamic goodness. So, so grateful. We open ourselves to freedom, to the miraculous freedom that we can feel when we allow ourselves to be aligned with the divine.

So we are choosing to ignite miracles that open up our joyful life of love. We are grateful to ignite miracles that awaken our creativity, our genius, our brilliance. We are grateful to ignite miracles that open up the flow of prosperity and abundance in our life, in ways that are unprecedented and unlimited.

We are grateful to allow ourselves to truly love our life and to love ourselves - free of any limited ideas, judgments, complaints, grievances, self-hatred. All of it, we're turning it over to that Higher Holy Spirit Self for healing, and we're activating the healing right now. We're igniting the miracles right now, in this holy instant.

We are grateful for the eternal love that we are. We are grateful for the eternal love of our Creator. The love always goes with us. It goes beside us, below us, behind us, in front of us, above us, in all directions. We are loved, we are held, and we are grateful and thankful to recognize this is the truth of our being.

We're sharing the benefits with everyone everywhere, because we are forever one with them. We allow it to be, and so it is.

Amen. Amen. Oh man, yes. Ha ha. Yes - igniting miracles, what a good idea. So grateful to ignite them with you.

Thank you for being my prayer partner. Thank you for praying with me today.

And today I'm doing one of my FREE Forgiveness Workshops. This one has a theme, and the theme is Stop Missing Your Miracles. Stop missing your miracles - let's stop missing them, let's ignite. So I hope you can come and join me today.

We change the clocks today, so be mindful of the time, especially if you're outside the United States. Let's be clear on the time: it's 12 PM Eastern, which is 5 PM in the UK, 6 PM in Germany, and 9 AM Pacific. And - let's see - it would be 11 PM in China, and I think it might be midnight in Japan, I'm just not sure. But we always have a time-zone finder you can use to make sure you know exactly what time it is where you are.

It's time for miracles - that's what I say. I love you. Have a powerful day, a miraculous day, a beautiful and enlivening, uplifting day.
