Prayer for Today
with Jennifer Hadley

Prayer for Joy Without Conditions

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for joy without conditions.

Joy has no conditions. Of course it doesn't. Love has no conditions. Of course it doesn't.

And we are grateful and thankful to allow ourselves to be lifted up. We're choosing to be lifted up. We're choosing to remember that it's natural for us to be joyful.

We are grateful and thankful that we are entitled to miracles of healing that are transformational and beautiful and substantial, and we are claiming them right here, right now, because we are no longer interested in suffering.

We are no longer interested in being right about everything. We are interested in being peaceful and harmonious and joyful and prosperous and healthy and wealthy and all manner of goodness. That's what we're interested in.

Being right is not helpful. We are interested in being right-minded. So this is what we are choosing here and now.

We're choosing to have joy without conditions, which is how joy is. We're interested in being happy without a reason. We are happy because it's natural for us to be happy.

Prayer for Today

with Jennifer Hadley

It's natural for us to feel content, to feel blessed and peaceful. This is how we are choosing to live, and we are grateful to surrender the thoughts and the beliefs and the attitudes that have kept us from that in the past.

Those days are over. That's not happening anymore. We're choosing a new life and a new way because we are living from inspiration.

We're opening our hearts and minds to the actual truth that does indeed set us free.

Joy without conditions is our inheritance. It's our birthright. We're claiming it, and we're sharing the benefits with everyone, everywhere, because we are forever one with them.

We let it be, and so it is.

Amen. Amen. Amen.

So good! Wow, just feels so good to pray.

Thank you for praying with me today. I love you. I appreciate you. I thank God for you.

And what's going on?

Masterful Living registration is open, and we have bonuses coming up in December and January. The program starts in January, but the sooner you register, the more bonuses you get.

I do encourage you, if you've never had an exploratory call with one of the spiritual counselors, to ask about any of our programs and see if they are a fit for you. Please take advantage of the free call, and all the details are at poweroflove ministry.net.

Next forgiveness workshops are Saturday and Sunday, December 5th and 6th.

In the meantime, have a powerful, light-filled, joyful day.
