Prayer for Learning Through Love

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for learning through love.

Yeah, that's what we're doing. So grateful, so thankful that we can learn through love, and that's what we are choosing.

We're no longer interested in learning through pain. So we place our hand upon our heart, and we wholeheartedly declare that we are learning through love. No longer interested in suffering, not interested in learning through suffering.

We are interested in extending love and compassion to our brothers and sisters. We're interested in receiving love and compassion and being in a loving space all the time.

So grateful, so thankful to learn through love and let every moment of every day be a learning opportunity, an opportunity to reveal God's infinite love and to learn from that experience in the most beautiful, gentle, inspiring ways.

We are grateful and thankful to allow ourselves to learn through inspiration, which definitely is an expression of love.

We're learning through exploring creativity and beauty and truth. So grateful that there are so many ways that we are choosing to learn through love.

Prayer for Today

with Jennifer Hadley

We are grateful to turn away from the ways of the past and learning through pain and suffering, hardship, trials and tribulations. We're giving all of that up and allowing ourselves to experience real beauty, real harmony, and ease and grace as we learn through love.

Sharing the benefits with all, we let it be, and so it is.

Amen. Amen. Amen.

Yes! Oh my goodness, it is so, so good to pray with you. Thank you for praying with me and being my prayer partner today. Yes, so good.

Okay, what's coming up?

I need to push back my Father, Brother, Son class to December, so that's happening.

And this coming weekend, Saturday, forgiveness workshop. Sunday, I am doing another family forgiveness workshop.

Now, you can make these forgiveness workshops whatever topic you would like, but we are gonna do deep forgiveness work Saturday and Sunday. It's totally free. I invite you to come join me.

This is the time before the holidays. It's the weekend before Thanksgiving. We're going deep with the forgiveness and transforming our minds about our families and about ourselves.

And then what else is coming? Yep, I think that's it for right now.

And I love you. Have an amazing, beautiful day learning through love.
