Prayer for Today

Prayer for Miracle Mindedness

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for miracle-mindedness. You're entitled to miracles, so we are opening our mind to that basic entitlement.

Yes, we place our hand upon our heart, and we take a breath. Love and gratitude is where we place our focus. Love and gratitude, gratitude and love.

We are grateful that God is. We are grateful that miracles are natural. We are grateful to claim our miraculous mind.

We are grateful to allow ourselves to forgive ourselves and to let go of whatever is holding us back from living a miraculous life.

So grateful that we don't have to analyze it and make a list and check anything off. We are simply declaring our willingness to be miracle-minded.

It's our willingness to purify our consciousness and place our attention on peace, love, joy, harmony, freedom, beauty, and all the other aspects of God that are the truth of our being.

So we're letting go of the idea that we're not enough. We're letting go of the idea that others are worthy of our condemnation.

We are grateful to surrender all of that and to open our hearts and minds to the truth. There is a place in our mind for the truth. We're making room for it again.

We're grateful to surrender any attachments that are making it impossible for us to welcome the miracles.

So grateful to have a change of mind. So grateful to have a change of heart, a healing in the heart, a healing in the mind.

We are choosing to live a life of miracles and miracle-mindedness. Everything we need is already within us.

So we share the benefits of this healing activation with everyone, everywhere, because we are forever one with them.

We allow it to unfold with ease and with grace. We let it be, and so it is.

Amen. Amen. Amen.

Yes, yes, yes, yes! We are choosing to focus on the highest and best, not just for ourselves, but for everyone.

Thank you for praying with me today. Thank you for being my prayer partner. Yes, partners in prayer.

Okay, what is coming up? Two forgiveness workshops this weekend, Saturday and then Sunday. Sunday, I'm focusing on family forgiveness. I'm doing another topic-based forgiveness workshop. I did the math, and Thanksgiving is just a few weeks away. What did happen? Oh my gosh, I just realized!

Oh yes, we are preparing for family, love, peace, harmony with family forgiveness.

And then on the 4th—that is Saturday the 4th. No, it's the 15th. Sorry, sorry, sorry, sorry! On the 15th, I think it's—oh boy—on the 15th is my Father, Brother, Son new class. Sunday the 15th. It's five Sundays: two in November, two in December, one in January.

Father, Brother, Son. So this class is oriented for men in the relationships they have with their fathers, their brothers, and their sons.

I'm so excited to do that. My Mother, Daughter, Sister program last year was so good, and I'm excited to do another one with my co-teacher, Jesse Brune. We've been teaching together for many, many years, and I know it's gonna be a wonderful class.

So there's always more. Of course there is!

And I love you. Have an amazing and beautiful day, miracle-minded all the way.
