Prayer for Miraculous Healing

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for miraculous healing. And as we are focused on family right now, miraculous family healing—that's what we're allowing ourselves to experience. We're calling it forth, we're accepting it, and we are grateful in advance.

We are grateful that in this very moment, we place our hand upon our heart, and we tell the truth. We recognize that we are profoundly interested in miraculous healing. We're profoundly interested in rising above the battlefield. We're profoundly interested in love and gratitude. Love and gratitude lift us high, make us more available for clear insight and inspiration.

So we are calling forth that clear guidance and inspiration. Let us know the way to the miraculous healing that we desire.

We are willing to give up our attachments to the painful perspective, the point of view that blocks the flow of love. At last, we are interested in the flow of love more than we're interested in our opinions, our judgments, our complaints about the past.

We are grateful to open ourselves to miraculous healing at all levels. So we're calling for miraculous healing at the level of the mind. We're shifting our belief system out of separation into unity consciousness, grateful to accept healing emotionally, mentally, physically, spiritually, financially, in all ways.

We are accepting amazing, miraculous healing because we are so, so willing to live in a loving way.

We are sharing the benefits with everyone, everywhere, because we are forever one with them.

In gratitude, we allow this miraculous healing to be made manifest. We let it be. We let—we let it be, and so it is.

Amen. Amen. Amen.

So precious. Thank you, thank you, thank you, thank you for being my prayer partner today.

Yes, prayer for miraculous family healing. We're on it. Yes, all families rising up. That's what I'm holding.

So grateful. Been doing these forgiveness workshops, so many preparing for the holidays, and if you've been to one, I appreciate you joining with me.

The next one is Saturday the 21st, and then Sunday the 22nd is the start of the Father, Brother, Son class, where we're working on healing those relationships between the men in the family.

My co-teacher is Jesse Brun. He is a wonderful teacher, very inspiring, and he's a lot of fun. We've known each other for a long time, and he is a father of two sons—well, three sons, but two sons; one passed away—and he is a brother. He has two brothers, and of course he has a father.

So we're gonna get into it, and I'm very excited for that. I think it's gonna be very powerful and healing.

So if you would like to have better relationships, if you're a man who would like to have better relationships with the men in your family, this could be the thing you've been looking for.

And Masterful Living registration is open, and I am inviting you to get clear about what your goals are for next year and to see if doing the deeper work with me is one of them.

I love you. Have a powerful, miraculous healing day.
