Prayer for Releasing the Habit of Blame

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for releasing the habit of blame, releasing the habit of blaming—something I know a little bit about.

Oh, so grateful to consciously join together, placing our hand upon our heart, taking that breath of love and gratitude, lifting ourselves high with love and gratitude.

We are willing to release the habit of blaming others for what we think, for what we feel, for what we experience, for our finances, for everything in our lives. We are giving up the habit of blaming.

So grateful to recognize the power of love within us is stronger than any ego habit of blaming or shaming or typing ourselves in guilt and shame, regret, resentment, any of that.

We are willing to let all of those thoughts and beliefs fall away, dissolve away, and to step into something new, something perfect, something wonderful, something that we love.

We are grateful to trade the habits of blaming for what we love. We are changing and shifting our life in a new direction, and it's beautiful.

So grateful to give away the habit of blaming and truly step into the place of real compassion, the place of real wisdom and clarity, returning everything over to that Higher Holy Spirit Self,

allowing ourselves to be truly set free from the impulse to blame anyone for any reason whatsoever.

So grateful to allow it all to unfold with ease and with grace.

We let it be, and so it is.

Amen. Amen. Amen.

Yes. Thank you for joining me today. Thank you for praying with me, being my prayer partner.

We are praying ourselves into a place of true wholeness and peace and wisdom and clarity, and it's beautiful. Thank you, thank you.

All right, what's coming up?

Of course, Masterful Living registration is open, and the sooner you register, the more bonuses you get.

This weekend, two forgiveness workshops. Today at 3 p.m., regular forgiveness workshop that you know and love, and then tomorrow I'm doing family forgiveness. And so both of them are open for enrollment, and they are both free, both versions of my forgiveness workshop. So I hope you'll come and join me sometime soon.

The name of God.

I love you, and we are letting go of the habit, the habit of blaming anyone ever for any reason whatsoever. So grateful to let that go, to step into a life of love, sharing benefits with everyone.

We allow it to be, and so it is.
