Prayer for Sharing Love

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for sharing the love. Yes, sharing the love. Let's share that love!

I place my hand on my heart, so grateful, so thankful, taking that breath. Love and gratitude lifts us high.

We are grateful to share the love. When we're sharing the love, we're remembering our true nature, our true identity. We're remembering who and what we are, whose we are.

So grateful to dedicate ourselves to sharing the love, no matter where we are. Sharing the love with the person driving in the car next to us, sharing the love with the person behind us in line, sharing the love with our coworkers, our friends, our neighbors, our loved ones. All are included.

We are grateful and thankful to become so, so good at sharing and extending the love. The more we share, the more we have.

We are lighting ourselves up with the way that love flows through our life, through our conversations and activities, to every cell, fiber, and function of the body temple.

We are sharing the love, holding the whole world in our prayers. We are grateful and thankful to share the love in all directions of time and space, so that everyone is lifted, everyone is shifted, all are brought together in this field of love.

We are so, so grateful that we have the ability to share and extend love.

We let it be, and so it is.

Amen. Amen. Amen.

Oh, man! Sharing the love!

Thank you so much for praying with me today. Thank you for being my prayer partner. Thank you for sharing the love with me.

Okay, what is coming up? Today, free forgiveness workshop tomorrow, free family forgiveness workshop. Back-to-back forgiveness workshops!

I realized it's the holidays. The holidays are coming. They're right coming up, and I just feel compelled to do extra forgiveness workshops this month. So please enjoy. I hope to see you in at least one of them.

And then what else is going on? The deep dive for November is on the 14th, and the topic is "When Someone You Love Stops Speaking to You." This is something I know about, and I am happy to support you in moving through that because it can be really, really, really challenging, and it's the holidays. So let's do the deep work together.

And then on the 22nd, Father, Brother, Son. Last year I did the Mother, Daughter, Sister, which was awesome. And now I'm really excited to be able to offer Father, Brother, Son and to be co-teaching, yes, with my longtime friend and colleague, Jesse Brune.

And he is a father. He is a brother, and he has two sons, so he is a great—and he's a great, great spiritual teacher, and he's a lot of fun. So we will have a very good time together.

Of course, Masterful Living registration is open, and the deep dive workshop in November is a bonus if you register before the workshop. So all the bonuses are live, and so we have to register before they are over.

I am so grateful for this beautiful day to share the love with. Love you!
