Prayer for Today
with Jennifer Hadley

Prayer for Taking Back Our Power

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for taking back our power.

Absolutely, yes! We are grateful and thankful to take back our power, to open our mind to the true power, the power of love within us.

So we place our hand upon our heart, take that breath of love and gratitude, and we remember that we are by nature divinely guided and led. We are held in the mind of God. The infinite mind of God holds us in as it leads us and guides us.

We are grateful and thankful that our power comes from our Creator, and so we do not have to invent it or sustain it. It is ours now and forever.

We are grateful to claim our power and stand in our power, knowing that it is the power of love within us.

Grateful that we have an infinite source and supply, and that we are fully empowered to live the truth, to remember the truth, to share and extend the truth at all levels.

So grateful, so thankful that this day is the day that we are taking back our power. We are no longer interested in pretending that the ego has power over us, because it does not.

We're the deciders, and we are deciding for love, for peace, for joy.

We are the deciders, and we are deciding for our own wholeness, for our innocence, for the beauty and the magnificence that is God within us.

We are grateful and thankful for this healing prayer, and we share the benefits with everyone, everywhere, because we are forever one with them.

We allow it to be, and so it is.

Amen. Amen. Amen.

So good! Oh, yeah. Thank you for being my prayer partner. Thank you for praying with me today. Thank you for taking back your power.

And what's going on? What's coming up?

Forgiveness workshops this weekend, Saturday and Sunday, and of course they are free. And then Masterful Living registration is open, and I am grateful that I get to assist anyone and everyone.

And doing the forgiveness workshop this weekend, come! All the details are at poweroflove ministry.net, and with Masterful Living, the details are there as well.

It's a powerful one-year program for really diving deep, letting go of false beliefs, the root causes of all kinds of negativity and despair, depression, anxiety. People heal all kinds of things through Masterful Living.

What would you like to heal? What would you like to expand into? Come on in. All are welcome.

I love you. Have an amazing day taking back your power.
