Prayer for Turning Pain to Power

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for turning pain to power. Yes, love is the greatest power there is, so we're turning that pain into the power of love.

We place our hand upon our heart, and we focus on love and gratitude, love and gratitude, gratitude and love, and we lift ourselves high into the high vibration that love is, that gratitude is.

And we are strengthened in our heart. We are strengthened in our mind. The power of God is in our mind. The power of God is in our word. The power of God is in our life.

And we are grateful and thankful to extend the love of God to our brothers and sisters. We're sharing that power. It is the power to transform. It is the power to transmute.

We are opening ourselves to infinite possibility. We're moving out of victimhood, moving out of lack, attack, limitation, and separation. We're moving out of scarcity and worry and fear and doubt, and we are turning to the only power there is: the power of love within us.

And it is the power of love within us that is God within us. God is our nature. God is our life and being.

We are grateful to access the point of power in our mind and to open ourselves to receive the gifts of God today and every day. Divine intelligence is awake and alive within us.

Prayer for Today

with Jennifer Hadley

We are so grateful to turn away from the habits of pain. We're turning away from the habits of misery and betrayal.

We are grateful to open ourselves to true acceptance, love that is without conditions, and we are opening ourselves to truly be embraced by the entire universe.

We share the benefits with everyone, everywhere, because we are forever one with them.

We allow it to be, and so it is.

Amen. Amen. Amen.

Yes! Oh, my goodness! Yes! Ha ha!

Thank you for praying with me today. I appreciate you. I love being your prayer partner. I really do.

And what is going on is Saturday is my deep dive for November. That's my workshop, and the topic is "When Someone You Love Won't Speak to You." How do you handle it? How do you deal with it? How do you transform it? We're gonna be talking about those things.

And this workshop is a bonus, a free bonus if you're registered for Masterful Living next year. So, yeah, now is the time to sign up if you'd like to get the maximum bonuses. More bonuses: live workshops in December and in January, and a three-part class in January. And then Masterful Living begins in January, so lots of bonuses.

And the other thing that's going on is a family forgiveness workshop on Sunday, totally free.

And then I'm doing a five-part class called—not called Men. It's called Father, Brother, Son, and it's really for men who are challenged in their relationships with the men in their lives: their brothers, their fathers, and their sons.

And that starts on November 22nd. It's five Sundays: one in November, two in December, two in January.

And that's it. I love you. I hope to see you soon.
